

FOR IMMEDIATE RELEASE

API AWARDED COMBINED CONTRACTS OF \$19M FOR Q3

COLUMBIA, MD (OCTOBER 2, 2009) – ADVANCED PROGRAMS, INC. (API)

Advanced Programs, Inc. today announced that it has recently been awarded \$19 million in combined contracts for Q3. This business represents organic growth across U.S. and European markets. This included delivery orders against API's recently awarded 5-year, \$40 million blanket purchasing agreement (BPA) with the U.S. Government. API customers are meeting their requirements by tapping into API broad range of secure IT product.

“Our unwavering focus on product quality and a commitment to customer service continues to generate industry-leading results,” said Michael Gormley, Vice President of Sales and Marketing. “We have seen strong growth in the U.S. and Europe for API's innovative secure products, particularly energy saving desktops and multi-function printing and imaging devices.”

ABOUT ADVANCED PROGRAMS, INC.: Advanced Programs, Inc. (www.advprograms.com) provides secure computing and networking equipment to the Military/Intelligence Communities of the United States and its allies. The core business involves participation on program teams requiring the design, manufacture, and supply of TEMPEST equipment and services. Advanced Programs, Inc. has been NSA certified for TEMPEST testing and manufacturing for over 20 years. API also provides specialized system packaging for equipment deployment in harsh environments. The company is headquartered in Columbia, MD with a facility in Salem, NH. API Europe Ltd (www.api-europe.com) is a wholly owned subsidiary of Advanced Programs Inc. and is headquartered in Chippenham, Wiltshire, UK with offices in the Netherlands. It was established to develop additional products and to provide support to API's customers and reseller network throughout NATO Europe. All facilities are ISO 9001 certified.
