

FOR IMMEDIATE RELEASE

**API RECENTLY AWARDED OVER \$20M IN COMBINED CONTRACTS**

**COLUMBIA, MD (OCTOBER 4, 2010) – ADVANCED PROGRAMS, INC. (API)**

Advanced Programs, Inc. today announced that it has recently been awarded over \$20 million in combined contracts. This business represents strong performance during the final six weeks of the US Government fiscal year. This included delivery orders from existing customers as well as significant business with new customers. API refreshed much of its product line in the last year and customers continue meeting their requirements by tapping into this broad range of secure IT products.

“Our customers execute missions vital to national security. We are privileged to support such programs and take pride in our continued success,” said Michael Gormley, Vice President of Sales and Marketing. “Emerging technologies present new security challenges to our customers. They look to API for innovative products and features to meet these challenges.”

**ABOUT ADVANCED PROGRAMS, INC.:** Advanced Programs, Inc. ([www.advprograms.com](http://www.advprograms.com)) provides secure computing and networking equipment to the Military and Intelligence Communities of the United States and its allies. The core business involves participation on program teams requiring the design, manufacture, and supply of TEMPEST equipment and services. Advanced Programs, Inc. has been NSA certified for TEMPEST testing and manufacturing for over 20 years. API also provides specialized system packaging for equipment deployment in harsh environments. The company is headquartered in Columbia, MD with a facility in Salem, NH. API Europe Ltd ([www.api-europe.com](http://www.api-europe.com)) is a wholly owned subsidiary of Advanced Programs Inc. and is headquartered in Chippenham, Wiltshire, UK with offices in the Netherlands. It was established to develop additional products and to provide support to API’s customers and reseller network throughout NATO Europe. All facilities are ISO 9001 certified.
